

# WEDDING PACKAGES AND MENUS

Congratulations on your recent engagement and thank you for selecting The Hub, Edinburgh's Festival Centre as the venue for your special day.

The Hub is unparalleled in what it has to offer, combining award-winning contemporary design with stunning Victorian architecture, providing a sublime setting for your celebration.

For groups of 80 or more, we have created a range of packages that include all you need to make your day complete, from drinks for the toast, to a three-course meal, wine, table linen and even flowers.

Please select one package (Mozart, Vivaldi or Elgar) and combine with the menu of your choice to create an all-inclusive price per person.

## THE CEREMONY

The Main Hall, Dunard Library and Gallery are all licensed for holding civil ceremonies, partnerships and religious ceremonies. Your dedicated Event Manager can advise on the most suitable room for your ceremony and can recommend a running order for the day.

## DRINKS RECEPTION

Following the ceremony, guests can enjoy pre-dinner drinks, which is an ideal time for photographs to take place. Drinks are included in all of the packages and in addition we can provide a cash or account bar.

## DINNER

Head Chef Suzanne Lynch has created an exciting range of menus which include traditional dishes with a Hub twist! As part of our service we will invite you both to attend a menu tasting to sample your preferred dishes and meet with our Chef. Selected wines are also included as part of each package and can be sampled during the menu tasting.

## DECOR

Our standard decor includes ivory floor length table linen and napkins, tea lights and contemporary or traditional table centres. Your Event Manager will be happy to assist if you would like to hire in additional table linen, chairs or chair covers. There is a flower budget allocated within each of the packages and our in-house florist is happy to work with you should you wish to increase this budget.
